Friend --

Today marks the completion of my second year as your Councilmember and the midway point of my first term in office. It has been a partnership, and I am grateful to you for helping make it possible. Together we have accomplished much, but many challenges remain.

Please take a look at my [Mid-Term Report](#) e-book at blumenfield.lacity.org/midterm. It outlines the accomplishments of the past two years and sets the course for an even greater future for the San Fernando Valley.
